Nura ha descubierto el secreto que guarda el ombligo.  
Ahora ya sabe que de él sale un hilo invisible que la une  
a todas las personas que más quiere: su madre, su padre,  
sus abuelos, sus tíos, sus primos, sus amigos.

Nunca más tendrá miedo cuando no estén con ella  
porque sabe que a través de ese hilo está ligada a ellos  
más allá del tiempo y del espacio  
¡y que estarán conectados para siempre!

Un cuento sobre los vínculos que nos unen con quien  
más queremos, y sobre cómo a menudo las cosas más  
importantes son las que no se ven.
